Re: Change in Ownership for Water Right No(s): 63-33324

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208)287-4921.

Sincerely,

Debra Mansfield

Subject: ownership change for 63-33324

The Department of Water Resources received your request to update the ownership of water right 63-33324. A couple of things came up during the review.

Do you have a contract for deed that has a date and that has been recorded with the county or a warranty deed? If so, would you please provide that for me. You can mail it to my attention to: IDWR, PO Box 83720, Boise, ID, 83720-0098 or respond to this email.

Unless you have a warranty deed, according to the terms of the contract, the sellers will deliver the deed when all terms and provisions have been fulfilled. With that, the Department's policy on contracts is we will list you and the Permitter's as current owners of the water right until the deed is conveyed to the buyer. Once the property is deeded to the buyer, the buyer can submit an ownership change notice to remove the seller as a current owner.

Please provide the requested documents or respond to this email within 30 days. Let me know if you have any questions. Thank you.
