FROM: Debra Mansfield
DATE: 7/10/2023
RE: Phone Conversation with Charlie Hoff of Wild, LLC

On January 03, 2022 the Department received a Notice of Change in Water Right Ownership for Wild LLC for the Water Right Nos. 65-1548, 65-1055, 65-1056.

After reviewing the submitted notice and attachments we found that we needed further evidence of ownership for the Water right Nos. 65-1055 & 65-1056.

On June 23, 2023 I mailed out a letter of deficiency to the applicant, explaining why we require more documentation for the Ownership Change of Water Rights 65-1055 & 65-1056.

Charlie Hoff, of Wild LLC, called the department on July 10, 2023 and I spoke with him. He informed me that he would like to cancel the request for the Change of Ownership for the Water Rights 65-1055 & 65-1056 and be issued a refund. Wild LLC may pursue further Change of Ownership at a later time.

RE: Notice of Change in Water Right Ownership for Water Right No(s): 65-1055, 65-1056

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

~Please refer to the attached documentation while reviewing this letter.

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of your submitted Notice we found that the submitted Warranty Deed, Instrument 192907 (from the Cutbirths to the Hoffs), is valid for the property, but unfortunately, the water rights cannot be conveyed by this deed.

Water right nos. 65-10155 & 65-1056 were legally decreed to Donald E Cutbirth & Ruth L Cutbirth on August 21, 1998, after the recorded date of this Warranty Deed. We will need either an additional deed that post-dates the decree date, conveying the water right from the current owners of record to Wild LLC, or a chain of title demonstrating that the original water right claim was conveyed from Donald E Cutbirth & Ruth L Cutbirth to Robert & Holly Hoff.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208)605-4620.

Sincerely,

Re: Change in Ownership for Water Right No(s): **65-1548**

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Re: Change in Ownership for Water Right No(s): **65-1055, 65-1056**

Per our telephone discussion, I cancelled the Ownership Change request for Water Rights 65-1055 & 65-1056. **A refund of \$50 has been requested and will be mailed to HOFF COMPANIES under separate cover from the Idaho State Controller's Office.**

~

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.
