

**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF PERMIT NO. 85-15802	)	PRELIMINARY ORDER
IN THE NAME OF DARREL NEWMAN	)	REINSTATING A PERMIT
_____	)	

This matter having come before the Idaho Department of Water Resources (“Department”), the Department finds, concludes and orders as follows:

FINDINGS OF FACT

1. On November 29, 2019, the Department issued Permit No. 85-15802 (“Permit”) in the name of Darrel Newman (“Permit Holder”) authorizing the diversion of 0.20 cubic feet per second of ground water for irrigation use in the NE¼ and NE¼NW¼ of Section 30 of Township 32 North, Range 04 East, B.M., Idaho County. A condition of permit approval required the Permit Holder to submit proof of beneficial use of water to the Department on or before December 1, 2022.
2. On September 30, 2022, the Department notified the Permit Holder by certified mail that proof of beneficial use was due and instructed the Permit Holder of the steps to be taken to submit a *Statement of Completion for Submitting Proof of Beneficial Use* (“Proof”), or a *Request for Extension of Time* (“Extension Request”).
3. On December 1, 2022, the Permit lapsed because the Department had not received an acceptable Proof or Extension Request.
4. On December 7, 2022, the Department notified the Permit Holder the Permit lapsed because no Proof or Extension Request had been received.
5. On December 19, 2022, the Permit Holder filed an acceptable Proof.

CONCLUSIONS OF LAW

Idaho Code § 42-218a(1) states, in pertinent part:

A permit upon which the proof of beneficial use..., has not been submitted, or a request for extension of time has not been received on or before the date set for such proof or incremental statement, shall lapse and be of no further force nor effect... . Notice of said lapsing shall be sent by the department to the permit holder at the address of record by regular mail.

Idaho Code § 42-218a(2) states, in pertinent part:

Within sixty (60) days after such notice of lapsing the department may, upon a showing of reasonable cause, reinstate the permit with the priority date advanced a time equal to the number of days that said showing is subsequent to the date set for proof.

SCANNED
JAN 13 2023

By submitting an acceptable Proof, the Permit Holder has shown reasonable cause why this Permit should be reinstated. The Permit should be reinstated based upon the December 19, 2022 filing date.

ORDER

IT IS HEREBY ORDERED that Permit No. 85-15802 is **REINSTATED** and the Permit's priority date is advanced to September 9, 2019.

DATED this 2nd day of January, ²⁰²³~~2022~~.

Shelley W. Keen

STATEMENT OF COMPLETION
FOR SUBMITTING PROOF OF BENEFICIAL USE

FOR OFFICE USE ONLY

Amt. of Fee \$ 50.00
Receipt No. C114899
Received By KH
Date Received 12.19.22

The Idaho Department of Water Resources (Department) considers this form a statement that the permit holder(s) applied water to beneficial use and completed development of a water right to the extent described below. **This form must be accompanied by an examination fee, when necessary, or by a completed Beneficial Use Field Report prepared by a certified water right examiner (CWRE).** Please refer to the instructions and fee schedule for this form. If ownership of the permit has changed, complete a Notice of Change in Water Right Ownership form. If you wish to relinquish your permit because you have not established the authorized water use and are not applying for an extension, please notify the Department in writing.

- Permit No. 85-15802 Name of Permit Holder(s) Darrel Newman
Telephone No. 208-926-7562 Email _____
Mailing Address 259 Cottonwood Creek Road City Stites State Idaho Zip 83552
- Source of Water Ground water If Ground Water (well), Date Drilled mo. 12-1 / yr. 2006
Drilling Permit/Tag No. D0051224 843982 Drilling Company's Name Stuevinga Versey Well Drilling
- Extent of use(s) completed as authorized by the water right permit:
Domestic (No. households) _____ Irrigation (No. acres) 37 Stockwater (No. and stock type) _____
Other _____
- Total diversion rate or volume (storage only) for which proof is submitted .20 cfs OR _____ af
If the total developed water use is 5 acres of irrigation or less, is stockwater storage of 14.6 acre-feet or less, or has a diversion rate of less than 0.24 cfs, attach a map of the place of use and point of diversion and photographs showing beneficial use.
- Describe the diversion and delivery system from the water source to the use (pump, lift, irrigation method, etc.)
K-line

- Permit condition compliance. Refer to the permit approval conditions and check all the items required, then check "Yes" or "No" to indicate whether the required items were established, submitted, and/or installed:

Required? Yes No (If "Yes", attach required data, evidence of compliance, or evidence of installation)

PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 85-15802

Dear Permit Holder:

The Department acknowledges receipt of the Proof of Beneficial Use form ("proof") and license examination fee for the above-referenced water right permit. Enclosed is an order that reinstates this permit since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for this permit has been advanced to **September 09, 2019**, pursuant to Idaho Code § 42-218a(2).

The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Please be advised that Idaho Code § 42-248, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Debbi Judd
Technical Records Specialist

LAPSE NOTICE

RE: PERMIT NO. 85-15802

IMPORTANT: This permit has lapsed because no written response was received from you by the IDWR. Development and/or use must cease.

Dear Permit Holder:

You are hereby notified that under the provisions of Idaho Code § 42-218a, the above referenced permit has lapsed and is of no further force nor effect. The Department provided the proper forms to you in the proof due notice dated September 30, 2022. No further construction or additional development is authorized under this permit.

If water was put to beneficial use prior to the date proof of beneficial use was due, you may file the Statement of Completion (proof) now, or if you or a previous owner of this permit have not received a prior extension of time, you may file the Request for Extension of Time (extension request) if the delay is for reasonable cause as provided in Idaho Code § 42-204. You may also request an extension of time if you have been delayed by a government agency, or by litigation that brings title to the water in question.

Either an acceptable proof or an acceptable extension request must be received by this Department within sixty (60) days of the mailing of this lapse notice in order to reinstate this permit.

Please contact Debbi Judd at 208-287-4920, if you need additional assistance.

Sincerely,

Angela Hansen, Manager
Water Rights Section

NOTICE: STATEMENT OF COMPLETION DUE

RE: Permit No. 85-15802

IMPORTANT: A response from you is required to maintain the active status of the referenced water right permit. If no response is received from you, the permit will lapse and your authorization to develop and/or use this water right will be cancelled.

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before **December 01, 2022**. Please complete and return the enclosed Statement of Completion for Submitting Proof of Beneficial Use (proof) if you have completed the water project authorized by your permit. The proof statement must be accompanied by either the appropriate license examination fee or a field examination report prepared by a certified water right examiner.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Idaho Code § 42-204. If you have been delayed by a government agency or by litigation that brings title to the water in question, an extension of time may be granted if appropriate documentation is provided at the time of filing. An extension request must be accompanied by a \$50.00 filing fee and signed by the appropriate authorized permit holder(s) or authorized representative with a power of attorney.

Either an acceptable proof or an acceptable extension request must be received by this Department on or before the above proof due date. If neither is received, the Department will send you a lapse notice and the permit will no longer be of any force or effect.

Sincerely,

Debbi Judd
Technical Records Specialist
