Subject: Water Right Claim No. 97-8302

Hey Linda,

I am working on the recommendation portion of your claim and was wondering if you have any documentation, such as a well driller's report or aerial image, that verifies your claimed priority date of 1998. In simpler terms, just something that shows that the house was built in 1998. If it was not built at this time, please let me know. If you have any questions, email me anytime!
