Victoria,

I double checked and confirmed that there was not a signature on the original claim. There was a date, but no signature. I have included the original document for you to view. I have attached another document for you to sign off on. This will change the water right into the trust's name since the trust shows as the only owner of the property according to Bonner County. You'll want to fill out the information under "For Organizations" as Trustee of the VPZJMC Trust and date it. Then, you can mail it back or scan and email it back to me. Whichever is easiest for you. Let me know if you have any questions. Thanks!
