RE: Clark Fork-Pend Oreille River Basin Adjudication claim 97-9032

Dear Claimants:

The Idaho Department of Water Resources recently received the Notice of Claim to a Water Right you filed. The claimed priority date of January 1, 1934, is not supported by the available evidence. Well Driller's Report (Well ID: 459879) shows a well was drilled near the claimed point of diversion location on July 30, 2020. If you have further evidence, such as a Well Driller's Report that supports the claimed 1934 priority date, please send it to the address below within 30 days of this mailing.
