Michael and Laurie,

I am reviewing your claim to a water right (97-9474) that you submitted a while back. You claimed a priority date of 1991, but the property has a year-built date of 1907. Nothing is required of you at this time, but I wanted to let you know that you have the option to amend your claim and obtain an earlier priority date (1907) on your water right, which would give it quite a bit more seniority. If this is something you would like to pursue, let me know and I will send you an amended notice of claim. Thanks 😊
