Re: Amended Notice of Claim to a Water Right form for CFPRBA Claim No. 97-7113

Dear Claimants

The Department of Water Resources has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) water right claim. Through my review of your claim, I became aware that the claim submitted includes a lesser volume than what was originally licensed.

The Notice of Claim to a Water Right identified with the number shown above was submitted for the use of water from an unnamed stream for stockwater and stockwater storage, based existing water right license no. 97-7113. That license includes an annual volume of 1.1 AF of water for stockwater storage and 0.7 AF for stockwater use, totaling 1.8 AFY. The claim submitted online includes a total volume of 1.1 AFY and did not total the volumes for both uses. Before your water right claim can be recommended with the full volume of water originally licensed, an Amended Notice of Claim to a Water Right form must be submitted.

To assist you with this process, I am sending you an Amended Notice of Claim to a Water Right form, which can be utilized to amend your claim to include the full volume of the original water right (1.8 AFY). For your convenience, I completed much of the amended claim form for you, utilizing all the information from your previous claim as well as from the water right license. If any changes are made, be sure to initial those changes before signing the claim form. Also, the mailing address listed on your claim is not deliverable, and the phone number has been disconnected. Both will need to be updated. After your completion and signature, please return the amended claim to our office at the address listed above. There is no charge for amending the claim as it is still pending in the adjudication.

Please do not hesitate to contact our office if you have any questions or concerns. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Evan W. Roda
