RE: Insufficient Filing Fees for CFPRBA Water Right Claim No. 97-7418

Dear Claimants,

The Idaho Department of Water Resources has reviewed the Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right that you submitted for your property. We are unable to recommend your adjudication claim at this time for the following reason.

The Notice of Claim with the number shown above was submitted for the use of water from Tunnel Creek for domestic, stockwater, and fire protection purposes. The appropriate filing fee associated with this claim includes a flat fee of \$50.00, plus a variable fee of \$100 per CFS for domestic and stockwater uses if those uses exceed 13,000 gallons per day (GPD). There is no additional variable fee associated with claims for fire protection, but the initial flat fee must be paid. If your intention is to claim *de minimis* domestic and stockwater uses not exceeding 13,000 GPD, then the claim you submitted requires a total filing fee of \$50, but only \$25 was paid. The correct and full filing fees must be submitted with a Notice of Claim before we can include the water right claim recommendation in our report to the Court. We will hold this claim and set its status to "Temporary" until the remaining portion of filing fees in the amount of **\$25.00** is received.

PLEASE NOTE: If the balance of the required filing fees is not received within 30 days, this claim will be recommended to the Court for domestic and stockwater purposes only.

If you have any questions regarding this matter, please contact our adjudication staff at 208-762-2800.

Best Regards,

Evan W. Roda
Water Rights Supervisor
Northern Region
