Hi Filomena,

I have prepared a partially completed Notice of Claim form that can be used to claim the license on your property. As we discussed, I am also attaching a withdrawal form that you can use to withdraw claim 96-12128. We will then be able to use the \$25.00 you paid when you filed 96-12128 and apply that towards the new claim (96-8524). This means we won't have to make any changes to the claim you already submitted, but the claim I prepared for you is already based on the original license.

After you have reviewed and completed the claim forms, please sign them and return them to our office at the address below. No additional payment is required at this time. Please don't hesitate to reach out if you have any questions.

Regards,
