Dear Fonda,

As we discussed on the phone this morning, a number of errors were discovered when reviewing your claim. We discussed the need to file an Amended Notice of Claim to a Water Right in order to correct these errors. There is no additional fee required for this amendment. For your convenience, I have enclosed a partially completed Amended Notice of Claim form which includes all pertinent information from your original claim. All changes that were made have been highlighted in yellow. After your review of this amended claim, please sign and date the amendment and return it to the address below.

Feel free to contact me if you have any questions regarding this matter and I will be happy to help. I can be reached by phone during business hours at 208-762-2810 or by email at greg.cooksey@idwr.idaho.gov

Best Regards,
