RE: Notice of Claim 97-7659

Dear Bradlee & Paula,

I am contacting you about a claim to a water right made on a property at 758 Cottonwood Rd in Priest River. A previous owner submitted a claim to a water right, and upon our review of the claim we found errors that require correction. When contacting them, they advised us that they no longer owned the home. County records indicate that you are the current homeowners. If that is correct, and you would like to pursue this claim to a water right on your property, please contact me as soon as possible. The fee has already been paid by the previous homeowner. For your convenience, I have included a change of ownership form that can be used to change the claim into your ownership.

If I have not received communication from you by 3/29/2024, I will recommend the claim as-is. In order for me to be able to recommend this claim as accurately as possible, please contact me before that date. I can be reached by phone during business hours at 208-762-2810 or by email at greg.cocksey@idwr.idaho.gov

Best Regards,

Greg Cooksey
