Hi Alex,

Thanks for following up on your claim folder. We did receive your amended claim at our office on Dec 13, and I completed my recommendation to the court for your claim on Dec 15. The recommendation was as-claimed on your amended claim. There is no further action needed at this time. The next correspondence you will receive from our department will be called a Notice of Error. This does not mean that there are errors on your claim, but it gives you the opportunity to take a look at everything right before we send it to the courts for the partial decree from the judge. It's essentially the last chance to make any changes before the judge signs it, and make sure your contact information is updated so that we can send you the decree properly.

Please don't hesitate to reach out with any other questions.

Regards,

**Greg Cooksey**
