Dear Mr. Long,

As per our phone conversation today, I am preparing an amended claim for you based on the changes we discussed. Since we are actually changing the ownership of this claim from your name to the name of a trust, we must complete a Change of Water Right Ownership form, which I have attached to this e-mail. I have also attached all of the documents you are required to send in with the ownership change.

Please complete the Notice of Change of Water Right Ownership form, as well as the Amended Notice of Claim to a Water Right. No additional fees are required for either action. Once signed, you can mail them back to us at the address below. We will then move forward with recommending your claim. If these documents are not received by 10/28/2023, I will have to move forward with your claim as-is. We may not be able to recommend this claim based on the Place of Use you provided.

Please don't hesitate to reach out with any questions.

Thank you,

Greg Cooksey
