RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim #: 97-8925 & 97-8923

Dear Claimant:

The Idaho Department of Water Resources has received the Notice of Claim to a Water Right form you submitted for CFPRBA Claim Numbers 97-8925 & 97-8923. We are unable to recommend the full extent of this claim to the Court for the following reason.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic and irrigation use of groundwater (wells) with a claimed diversion rate of 0.06 cfs on each well for both claims. Based on IDWR department standards, we cannot recommend more than 0.04 for most domestic uses of groundwater unless there is sufficient evidence to show that a higher diversion rate is being used. As a result, I am recommending your claims to the court with a diversion rate of **0.04 cfs** for each claim.

If you believe this to be in error, please submit additional evidence as soon as possible. If this is sufficient for your needs, no further action is required on your behalf.

Do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at greg.cooksey@idwr.idaho.gov.

Best Regards,

Greg Cooksey
