Donald and Mary,

I am reviewing your notice of claim to a water right (97-9486) and everything looks great, but I did have one question. Bonner County shows the property is owned by the DON & MARY BENTON FAMILY TRUST, which I can obviously assume is your trust. If that is correct, we will want to change the water right into the name of the trust, as opposed to you as individuals, as the water right should generally match the owner of the property. I have attached an amended notice of claim for you to review and sign. This will update the claim to be in the trust's name. Let me know if you have any questions.
