Hey Lisa,

I have attached two amended notices of claim for the two claims you submitted. The purpose of these forms is to update the name on the water right to Art's Place LLC, as the LLC is the owner of the property. As trustee, you will be able to sign for the LLC. I also updated your period of use to year-round so you're covered if you ever go up there sometime not in the summer. If you could physically sign these and either mail them or scan and email them back to me, that would be fantastic. Let me know if you have any questions 😊
