RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) claim 97-9268

Dear Claimant:

The Notice of Claim to a Water Right identified above was submitted to the Idaho Department of Water Resources (IDWR) on August 2, 2022, for the use of ground water in Bonner County for Domestic purposes. However, the claim, as filed, is incomplete as no filing fees were paid. Section 42-1414, Idaho Code, provides the department shall not accept a notice of claim unless the proper filing fee is submitted.

IDWR contacted you on September 13, 2022, requesting filing fees and an updated *Point of Diversion* location. To date, IDWR has yet to receive the required filing fees.

IDWR has no option but to reject your claim. The status of claim 97-9268 is set to rejected. Claims rejected and returned may be refiled with appropriate filing fees.

If you have any questions or need further clarification, please contact me by phone at (208) 287-4813 or by email at Scott.Luvaas@idwr.idaho.gov.

Sincerely,

Scott Luvaas
