Gentlemen:

Reference Lease #16176 on Priest Lake, Idaho.

I plan to build an addition to my existing cabin during this coming summer. The addition will be approximately 12 x 12.

No trees need be cut for the addition, and it will be even more obscure from the lake side than my existing cabin which is well disguised from the lake.

Below is a sketch of my existing cabin and my proposed addition.

Request authorization to proceed.

Very truly yours,
