Hi Jared,

Please find the attached documents that support our claim for water rights as of 1967. The documents will show the transfer of the state lease from the Howe's to my parents (Josephine and Lawrence Thompson) in July 1967. That document shows ownership and also states that there was an existing cabin prior to 1963 at which time the Howe's added an addition to the existing cabin. This document also has the rough blueprint of that structure. You will also see a letter from Lawrence Thompson to Marvin Vandenberg of Idaho Dept. of Lands in January 1969 that references two existing buildings (18' X 20" and 6' X 4') which IDL was aware of as they requested the information. All of these records are on file with IDL if my documentation is insufficient.

Please let me know if you have any questions or need anything else.

Thank you
Jim Thompson
