RE: Change in Ownership Water Right No. 35-10999

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** The department acknowledges receipt of your deeds provided with your application. However, it appears you only purchased a portion of the water right. Please provide additional evidence of ownership or the additional filing fee for the department to split the water right (Split fee is \$100.00 per water right, therefore an additional filing fee of \$75.00 would be required). According to the review you receive the domestic portion of this water right and possibly a portion of the stock water. If you believe you are entitled to more of this water right, please provide additional evidence of ownership. Also, if you believe you are entitled to a portion of the stock water, please inform the department how that should be split, water right is for 0.02 cfs of stock water and limited to 7 horses.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
