RE: Change in Ownership Water Right No. 74-16425 (listed), 74-603, 74-604, 74-652

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Filing Fee:** The department acknowledges receipt of your ownership change for water right number 74-16425, unfortunately that water right is held by the Lemhi Irrigation District and is a draft active Water Application. There is a possibility of shares within that district, but the department does not have access to who has shares within an irrigation district. During the review I did find 3 individually owned water right 74-603, 74-604 and 74-652. Please review the computer-generated reports showing the elements of the water rights. The department received sufficient information to update 74-603, 74-604 and 74-652, however there is a \$25.00 per water right filing fee. Please submit an additional \$50.00 for the department to update the ownership of those three water rights.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
