RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim #: 97-8916

Dear Claimants:

The Idaho Department of Water Resources has received the Notice of Claim to a Water Right form you submitted for CFPRBA Claim No. 97-8916. We are unable to recommend the full extent of this claim to the Court for the following reason.

The Notice of Claim to a Water Right identified with the number shown above was filed for the domestic use of groundwater in two homes within a subdivision. As per our previous conversations, I am not able to recommend multiple homes in a subdivision on a single well with a priority date of 12/07/2004; however, I did complete my recommendation of this claim under Idaho Code Section 42-111(1)(b).

This section of Idaho Code allows for both homes to be recommended on the same water right, but they will have an overall combined use limit of 2,500 gallons per day between the two homes.

Do not hesitate to contact me if you have any questions. I can be reached by phone during business hours at 208-762-2800 or by email at greg.cooksey@idwr.idaho.gov.

Best Regards,

Greg Cooksey
