Ms. Anderson,

Per our phone conversation this morning, we have confirmed that claim no. 96-9351 was filed in error. IDWR's review of the backfile for water right license no. 96-9351 indicates that the right is not appurtenant to your property, and that was further confirmed through our conversation. As such, I am sending you a Withdrawal of Claim form, which will facilitate the withdraw of your previously filed water right claim, no. 96-9351. My understanding is that you will soon be submitting a claim for your domestic use of shared well, claim no. 96-7594.

Please complete the attached Withdrawal of Claim form and return it to our office at the address listed below.

Best Regards,

Evan
