Subject: FW: Updated Notice of Appearance for Kalispel Tribe's CFRBA Water Right Claims

Good afternoon Mr. Mannakee,

We have not yet received updated Notices of Appearance for the Kalispel Tribe's CFRBA water right claims. These records need to be brought current so we can correspond with the appropriate legal representative for the tribe. As discussed and noted in my previous email, additional information is still needed before the recommendations for many of those claims can be completed, and our time is now growing short before the anticipated submission of the Director's Report for claims in that area (Administrative Basin 97 Part 1). Please submit current Notices of Appearance for the water right claims listed below as soon as possible.

Thank you,

Evan

Subject: Updated Notice of Appearance for Kalispel Tribe's CFRBA Water Right Claims

Good afternoon Mr. Mannakee,

I reached out to your office today to speak with Christine Mellick regarding the Kalispel Tribe's water right claims in the Clark Fork-Pend Oreille River Basin Adjudication (CFRBA), and you informed me that she no longer represents the tribe in those matters. To ensure accuracy in our records, I am writing to request that an updated Notice of Appearance be submitted for all claims filed by the Kalispel Tribe that may now have new representation. Once those records have been updated, I would like to schedule a brief meeting with the current representative to discuss those claims and what is now needed before IDWR can complete our recommendations.

The CFRBA claim numbers and currently listed representatives are as follows:
