Dear Claimant(s)

As per our phone conversation today, I am sending you an Amended Notice of Claim to a Water Right form, which can be utilized to amend the previously submitted claim for the water use on your property, claim no. 97-9021. For your convenience, I completed much of the amended claim for you, utilizing all the information we discussed during our call as well as the previously filed claim. All sections with amendments have been highlighted. I've also attached a map of the property so you can mark the locations of the two springs you divert from. After your review, please return the signed claim form with marked map to our office at the address listed below, attention to me. There is no charge for amending this claim as it is still pending in the adjudication.

Please feel free to contact me if you have any questions or concerns.

Best Regards,

Evan
