RE: Change in Ownership Water Right No. 34-418B, 34-518, 34-2500A, 34-7048, 34-10559

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has sufficient evidence to update 34-2500A.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Please review the maps attached. According to our review, water right numbers 34-7048, 34-10559 are not appurtenant to your property. Water rights 34-418B, 34-518 only have a portion of the water right place of use that is appurtenant to your property. Because only a portion of the water right is appurtenant to your property a split is required. The filing fee for a split ownership change is \$100.00 per water right, therefore an additional filing fee will be required. After reviewing the maps if you agree that 34-7048, 34-10559 are not appurtenant to your property and 34-418B, 34-518 will require a split please submit an additional \$100.00. (1 no split X \$25 + 2 splits X \$100 = \$225.00), the department received \$125.00 with your application therefore the additional fee is \$100.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
