RE: Change in Ownership Water Right No. 22-4007, 22-4108

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The current owner of water right 22-4007 is Dyle Peterson; the department received a quit claim deed for a portion of your property from Miles Lynn & Lynette Trust. Please supply a deed from Dyle Peterson to Miles Lynn & Lynette trust in order for the department to update the ownership of this water right. Also, the deed received only covers a portion of your property according to the parcel data. The deed received is for the North 1/2 Southeast Section 10, Township 7 North, Range 41 East, it appears you also own a portion of the North 1/2 Southwest Section 10, 7 North, Range 41 East. Please provide a copy of that deed as well, and if required a copy of the deed going back to the current owner on file. The deed for property located in the North 1/2 Southwest Section 10, Township 7 North, Range 41 East will also be required for water right 22-4108, which is located in the NWSW Section 10, Township 7 North Range 41 East. The current owner of water right 22-4108 is Dyle Peterson, Tad Peterson and Ila Peterson if a release is required from one or all parties please supply evidence of release.

**** **Filing Fee/Evidence of Ownership:** Also, I do apologize, this was my error, I did not realize there was an additional water right on one of the applications. In order to update 22-4108 an additional filing fee of \$25.00 will be required, unless this change is due to a death. The current ownership of 22-4108 is Dyle Peterson, Ila Peterson and Tad Peterson. If this is result of a death and Tad Peterson is the sole owner of the water right copies of the death certificates can be submitted for Dyle and Ila Peterson and there would be no additional fee required.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
