Re: Change in Water Right Ownership 96-8634

Dear Ms. Mathison:

Back in March of 2024, Mr. Cooksey from our office sent you a letter with 3 claims for you to file based off Licenses on your properties. It has come to my attention that one of them should have been a Change in Water Right Ownership because Mr. Brunson, whom you purchased the property from, had already filed a claim on it back in September 2022.

I am sending you a Change in Water Right Ownership form and requesting the \$25 fee you paid for that claim to be refunded to you. There is no fee for the Change of Ownership, but it must be done for the License to be in your name.

I apologize for the inconvenience and if you have any questions, feel free to call our office.

Sincerely,

Dawn R. Lenon
Technical Records Specialist 1
