Hey David,

I apologize again for sending my last email with another inadvertent typo. The last two claim numbers listed with claim fees are located within Basin 96, not 97. Those numbers are 96-7466 & 96-7036.

Thanks,

~Evan

Hi David,

First, I apologize for any confusion caused by me inadvertently listing one claim number twice in my previous email (97-2057). The additional claim number I meant to list there is 97-7490, for which \$25 was paid rather than the required \$66.

As detailed in that previous email, filing fees were paid for the claims, but the amounts paid were insufficient for the water uses claimed. \$175 was paid for 7 total claims, amounting to \$25 per claim (de minimis filing fee was paid for non-de minimis claims). The balance of the required filing fees is needed before we can recommend the claims as licensed. I've attached a copy of the filing fee schedule for reference.

The additional claim numbers listed on that receipt were not included in my previous email as I hadn't started on those recommendations yet. I just took a look at those, and they also require additional fees to be paid.

The remaining filing fees required for the 7 claims listed on that receipt are as follows:

97-2057 – Paid \$25.00, required \$75.00. Remaining balance required is \$50.00.
97-7158 – Paid \$25.00, required \$56.00. Remaining balance required is \$31.00.
97-7490 – Paid \$25.00, required \$66.00. Remaining balance required is \$41.00.
97-7123 – Paid \$25.00, required \$56.00. Remaining balance required is \$31.00.
97-7320 – Paid \$25.00, required \$56.00. Remaining balance required is \$31.00.
97-7466 – Paid \$25.00, required \$56.00. Remaining balance required is \$31.00.
97-7036 – Paid \$25.00, required \$57.00. Remaining balance required is \$32.00.

Total paid for the 7 claims: \$175. Total required as claimed: \$422. Remaining balance due: \$247

Please feel free to reach out to me anytime if you have any questions on these, and I'll be happy to help.

Thanks,

~Evan

Hi Evan,

It took a while to figure this out. However, the Department's records show these fees were paid. I have attached a copy of the receipt.

Please let me know if you need any additional information.

Thanks.

David

You don't often get email from evan.roda@idwr.idaho.gov. [Learn why this is important](#)

Good afternoon David,

As per our previous correspondence and follow-up discussion today, I am emailing you regarding the CFPRBA water right claims filed on behalf of Idaho Department of Parks and Recreation. Specifically, this is in regard to claim nos. 97-2057, 97-7158, and 97-7490. The originally filed claims included Notices of Appearance (NOA) for Shane Bell, whom I understand is no longer with the AG's office. We will need an updated NOA for the forementioned claims, listing those claim numbers.

Additionally, the complete and proper filing fees were not submitted with those three claims. IDWR cannot complete the recommendations for these claims until the remaining balance of filing fees has been paid. The required fees and remaining balances are as follows:

97-2057 – Paid \$25.00, required \$75.00. Remaining balance required is \$50.00.

97-7158 – Paid \$25.00, required \$56.00. Remaining balance required is \$31.00.

97-2057 – Paid \$25.00, required \$66.00. Remaining balance required is \$41.00.

Please feel free to reach out to me if you have any questions or concerns.
