1. Describe the portion of the proposed recommendation with which you disagree. ***We disagree with the place of use description.***
2. Describe the changes you wish to make in the proposed recommendation. ***We wish to add the SESE of Section 1 T57N R5W as part of the place of use.***
3. Give a brief explanation as to why you disagree with these portions. ***We acquired the 10 acre tract located within the SESE of Section 1 in 1993 and immediately started using it for stockwatering and soon thereafter installed a hydrant within that parcel.***

Note: two maps are attached showing the place of use and details of the water system.
