RE: Notice of Error Replies for Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim Nos. 97-7270 & 97-8297

Dear Claimant,

The Idaho Department of Water Resources has reviewed the Notice of Error Reply for the above referenced water right claims. Pursuant to the additional information received, the Preliminary Recommendation for water right claim no. 97-7270 has been revised and the stockwater component has been removed. Please review the enclosed Preliminary Recommendation of that claim to ensure your agreement with the corrections made.

Your request to remove your late husband from the ownership of claim nos. 97-7270 & 97-8297 cannot be accomplished without the submission of a Notice of Change in Water Right Ownership. For your convenience, I have enclosed that form with this letter along with instructions. Please complete the change in ownership form and return it, along with a copy of the death certificate, to our office at the address listed above.

If you have any further questions or concerns, do not hesitate to contact our office and we will be happy to help. We can be reached by phone during business hours at 208-762-2800.

Sincerely,

Evan W. Roda
Water Resources Supervisor
Northern Region
