RE: Change in Ownership Water Right No. 75-4117C, 75-4117H

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to update ownership of a water right a copy of the 'recorded' Warranty Deed or other legal document indicating your ownership in the water right and/or property is required. The department received 2 deeds with your application. However, they are Quit Claim Deeds from Miles Eugene Ford Jr and Cynthia Jean Ford Living Trust to the Miles Eugene Ford Jr and Cynthia Lynn Ford Trust. Please provide a full chain of title back to the current owner of the water right. The water rights are currently in the name of Ronald and Janet Cook, and Leonard Jakich. Also, during our review, the department found water right number 75-10749 is also appurtenant to your property. If you would like the department to update that water right as well, please submit the additional \$25.00 filing fee and inform us in writing that you would like that one added to the application.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
