RE: Change in Ownership Water Right No. 22-4096, 22-13857

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional Filing Fee:** Please review the maps attached, it appears a portion of the water rights listed above are on property currently owned by MD Nursery & Landscaping Inc. If you believe you are entitled to the full water right, please provide evidence of ownership or a release from the property owner. If you believe the water rights should be split, please provide the additional filing fee of \$150.00. The filing fee for a split ownership change is \$100.00 per water right (2 X 100 = \$200) the department has already received \$50.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

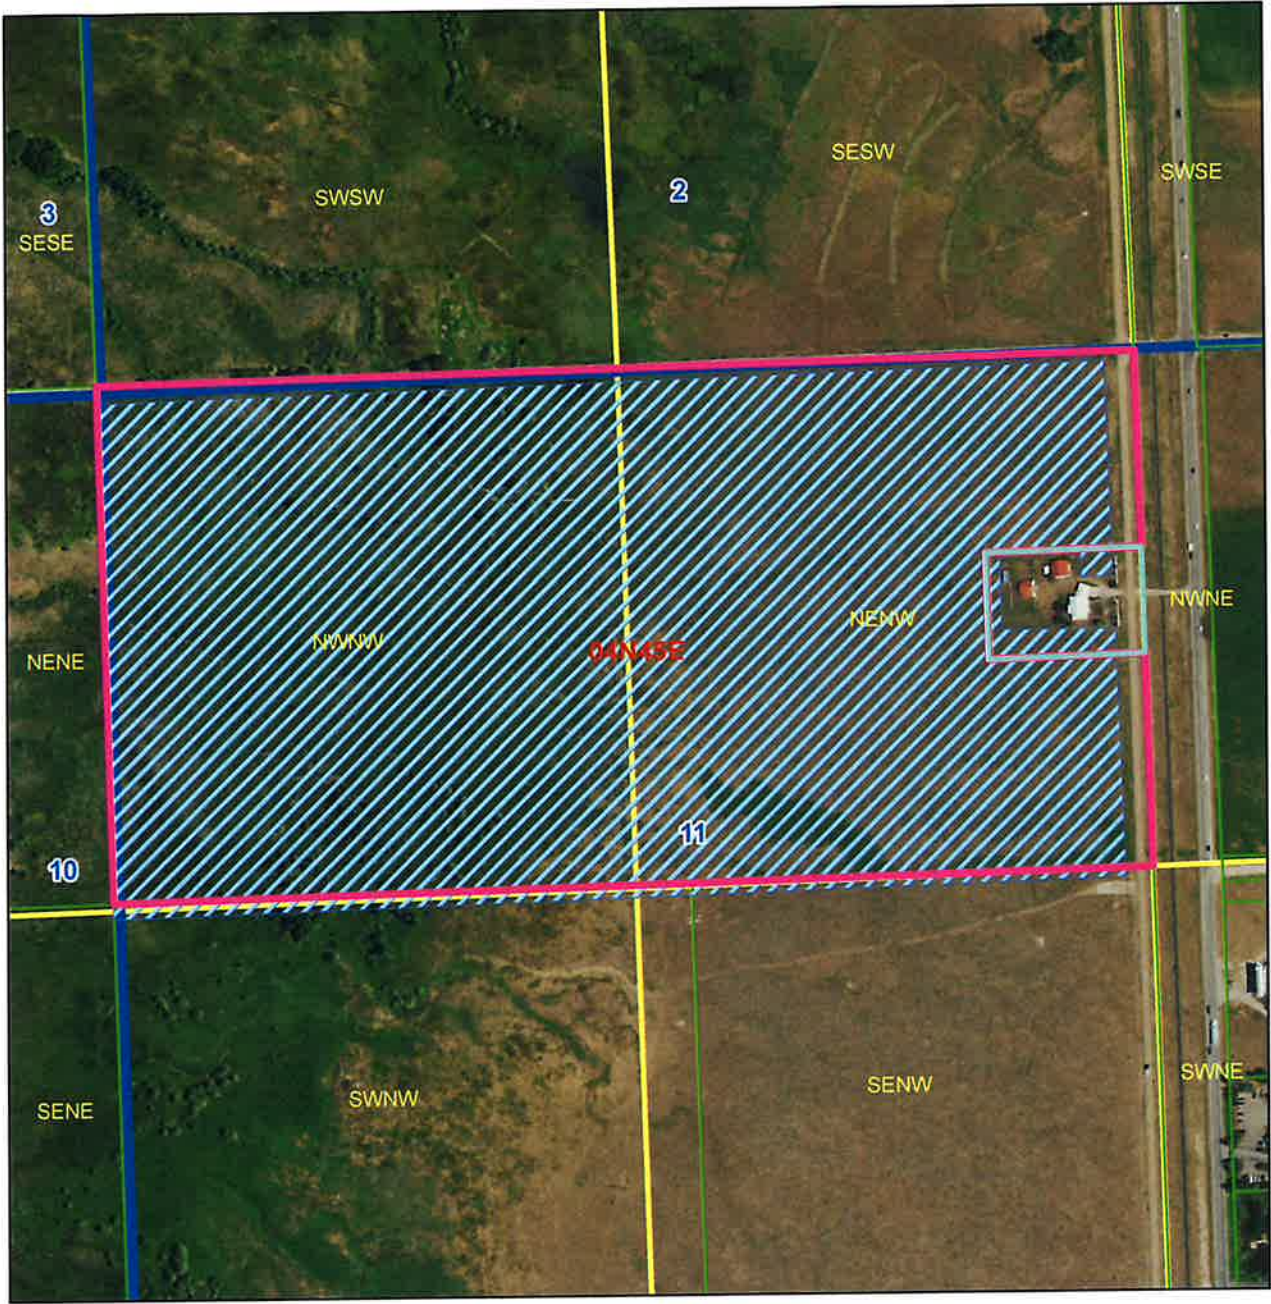

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Baily
Technical Records Specialist
