Re: Change in Ownership for Water Right No(s): 21-10824, 27-7576, 35-4153, 35-10559

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Please note Application number 27-7576 is an application that does appear to be a portion of the property previously sold to Idaho Supreme Potatoes LLC in 2018. In order to update the ownership of the application an Assignment of Application is required. The name on the application was updated to Chapco Group Inc only because it was a business name change for the same entity as the original application owner Idaho Supreme Potatoes Inc.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 497-3787.

Sincerely,

Jonie Bailly

Memo to File

From: Jonie Baily

Date: October 24, 2024

Water Right Nos. 21-10824, 27-2152, 27-7446, 27-10081, 27-10082, 27-10083, 27-10084, 35-4153, 35-10559, 27-7576

On March 15, 2018, Ownership Change filed in the Southern Office for water right 27-2152, 27-10081, 27-10082, 27-10083, 27-10084, 27-7446, 27-7447 complete on June 21, 2018.

On October 24, 2024, Brad Champman came into the office with concerns about some of the water rights that were updated as a result of the 2018 ownership change. Mr. Champman said they did sale some of the business property and assets of Idaho Supreme Potatoes Inc to Idaho Supreme Potatoes LLC (a new entity), Idaho Supreme Potatoes Inc retained some property/assets. As part of the new entity Idaho Supreme Potatoes LLC, Idaho Supreme Potatoes Inc had to complete a name change to Chapco Group Inc, (verified by the Idaho Business Entity Search). He indicated that some of the water rights updated were not part of that sale. During my review I found that the water rights in the name of Idaho Supreme Potatoes LLC are as follows:

21-10824, 27-2152, 27-7446, 27-10081, 27-10082, 27-10083, 27-10084, 35-4153, 35-10559, 27-7576

I reviewed the ownership change application/security interest filed in 2018 and the water right numbers listed were as follows:

27-2152, 27-10081, 27-10082, 27-10083, 27-10084, 27-7446, 27-7447

For some reason all the water rights were updated. As I researched, I determined that this was likely an error because the Contact ID was change rather than giving Idaho Supreme Potatoes LLC a new contact.

Note 27-7576 in an application, according to the property this application would have been part of the change to Idaho Supreme Potatoes LLC, however in order to update an Application for Permit an Assignment of Application for Permit is required therefore that will not be updated.

I will correct the previously complete ownership change giving Idaho Supreme Potatoes LLC a new contact ID and returning the old contact ID to Idaho Supreme Potatoes Inc.

Also Mr. Chapman filed an ownership change along with evidence from the State of Idaho Business Entity Information to update the ownership of Idaho Supreme Potatoes Inc to their entity name Chapco Group Inc. No fee is required for this change.

Added a new contact for Chapco Group rather than changing Idaho Supreme Potatoes Inc to Chapco Group because of all the confusion.

Contact IDs as follows:
