RE: Security Interest in Water Right No. 31-62Q, 31-63Q, 31-2370, 31-2385, 31-11358

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Security Interest:** On October 21, 2024, the department received notice that Zions Bank wanted to release their interest in the above-mentioned water rights, their release was dated October 12, 2023. During our review we found some conflicting information. On November 30, 2023, the department received a Notice of Security Interest for Zions Bank (according to the form), however the evidence of security interest shows DL Evans Bank, and the filing fee was paid for by DL Evans Bank. The department talked with DL Evans Bank, and this was an error the security interest should have been for DL Evans Bank not Zions Bank. The application was erroneously complete listing Zions Bank on December 7, 2023 by IDWR. The department has updated it's records to show Zions Bank no longer has an interest, and is now has the security interest pending until we receive an amended Security Interest Application. The Amended information was requested on October 22, 2024, as of today the department has not received the information. We have updated the log showing this is a pending security interest for DL Evans Bank and the department will be unable to complete your request without the proper documentation/forms. I have attached a copy of the Security Interest Form, Evidence of Security Interest Received in 2023.

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
