RE: Security Interest in Water Right No. 29-285B (29-14534), 29-297B (29-14535), 29-13233 29-14536),
29-10012

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Security Interest/Filing Fee:** The water right numbers listed on the application received are the numbers before the water rights were split. There is no need for you to do anything the department just wants to make you aware that the new water right numbers currently in the name of Rachelle Hunter is 29-10012, 29-14534, 29-14535, 29-14536. The filing fee for a Notice of Security Interest is **\$25.00 per water right**. The department received a check \$25.00, with your application, however the filing fee for 4 water rights would be \$100.00, therefore an additional \$75.00 is required.

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
