RE: Change in Ownership Water Right No. 1-201, 22-2205, 22-13351

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Please review the map attached. According to the information received with your Notice of Change in Water Right Ownership Form. This application would result in a split. There are two 2-acre parcels in question. According to the parcel data from Madison County you are the current owner of one of the parcels and Jessica Tanner is the owner of the other parcel. Please provide a copy of your deed for the 2-acre parcel. If the current owner of the other parcel is Jessica Tanner a split is likely required unless the water right was specifically withheld, or you can get an agreement with the property owner.

Also our department does not require a certified copy of the your deed, so I have taken a copy of the deed we received and I am returning your original certified copy just incase you need it.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist

Idaho Department of Water Resources
