RE: Change in Ownership Water Right No. 34-229, 34-10533

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee:** The department received a Notice of Change in Water Right Ownership Form from you on April 11, 2024, during our review we found that there is another water right appurtenant to your property, water right number 34-10533. On April 12, 2024, the department spoke to Hadley, and it was requested both water rights be updated, however in order to update both water rights an additional filing fee is required. As of today, the department has not received the additional filing fee. Please provide the additional \$25.00 in order for the department to update both water rights.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Bailly
Technical Records Specialist
