RE: Notice of Change in Water Right Ownership for water right 97-9578

Dear Claimant(s),

We have received your Notice of Change in Water Right Ownership, and on July 18, 2024 I called and spoke with Brent regarding the conveyance document. The Change of Ownership was for the Melior's to the Swank's. But the original claim was filed under the name of Sanborn Creek Farm LLC. Since the Warranty Deed you provided did not show the property going from Sanborn Creek Farm LLC to the Swank's, we could not accept it.

In our phone conversation, it was decided that you would file a Quit Claim Deed for the water rights only going from the LLC to your names and you said it would take you a couple weeks. Once that gets recorded, you can provide a copy of the recorded Quit Claim Deed and I could process the Change of Ownership.

Unfortunately, to date I have not heard from you or received the copy of the Quit Claim Deed. I will hold your Change of Ownership until September 30th, and if I do not receive the required documents to process it by then, your Change of Ownership will be returned to you unprocessed.

If you have any questions, feel free to call me at the above number. I apologize for the inconvenience.

Sincerely,

Dawn R. Lenon
