RE: Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Claim No. 97-7279

Dear Claimant(s),

The Idaho Department of Water Resources has received your Clark Fork-Pend Oreille River Basin Adjudication (CFPRBA) Notice of Claim to a Water Right. We are unable to recommend your Adjudication Claim to the full extent of the original water right license at this time for the following reason.

The Notice of Claim to a Water Right identified with the number shown above has been filed for Irrigation Storage and Irrigation from Storage based on a previously issued water right license. When filing a water right claim based on a previously issued license, all aspects of the original license must be carried over to the new claim form including the use, priority date, diversion rate, diversion volume, place of use, and point of diversion. The water right license you claimed has .7 acres irrigated. In the claim you filed, you claimed 2.8 acres irrigated. If your desire is to claim the full use of the original water right license, an amended claim form with the correct numbers of acres irrigated must be submitted. For your convenience, I am sending you an Amended CSRBA Notice of Claim to a Water Right for Claim No. 95-9507 which includes all pertinent information from the originally licensed water right. An additional \$7.00 is also required to accept the claim. If you do not file an amended claim, the current claim as filed with 2.8 acres of irrigation requires an additional \$9.00.

Please review the amended claim form, and if you wish to make any further changes, initial those changes before signing the claim. After your review, return the signed claim form with the required additional \$7 filing fee to our office at the address listed above within 30 days of receiving this letter.

PLEASE NOTE: If an amended notice of claim and the remainder of the required filing fee is not received for this water right within 30 days, IDWR will return your claim to you unprocessed.

Please do not hesitate to contact our office if you have any questions. We can be reached by phone during business hours at 208-762-2800.

Best Regards,

Dawn R. Lenon
