Re: Follow up on Incorrect form submitted for License # 97-7132

Dear Mr. Bennett:

This letter is to follow up regarding the copy of your License you sent to us back on Feb. 07, 2022. Your License was returned to you on Feb. 15, 2022 because we weren't sure if you wanted to update your mailing address or if you wanted to submit a Notice of Claim for the adjudication. Neither of which can be done from a copy of your License. A change of Address form and a pre-printed Notice of Claim based on your License was sent to you and as of today's date, we have not received either one of them back from you.

Once again, I have enclosed a pre-printed claim based on License #97-7132 and a Change of Address form. If you intended to file an Adjudication claim based on your license, please look the enclosed claim over closely and sign it and return it to our office with the appropriate fees no later than **February 16, 2024**. If both homes use a combined total of less than 13,000 gallons of water per day for De Minimis Domestic, the fee will be \$51.00. If the combined total is more than 13,000 gallons, then the fee will be \$59.00. If you need to make any changes, cross off what you want to change, write in the new information and initial it.

Please return the Notice of Claim with the appropriate fees to our office at your earliest convenience. You will not receive any further reminders. If you have any questions, please call and an agent can help you over the phone. Thank you, and we look forward to hearing from you.
