Hi Mike,

As Dawn said, Allocations will handle the address change. However, we cannot change it via email. I've attached the Change in Address form that we'll need in order to process that request. If you have any questions, please let me know. Thank you!

Subject: RE: Address Change Request: Case No. 59576

Dear Mr. Meehan,

Thank you for the notification of the address change for your water rights. It looks as though you have 2 water rights with us. I show water right numbers 87-7011 & 87-7183. The case number you referenced (59576) is the same for everybody in the Palouse River Basin Adjudication (PRBA). Since the PRBA is already partially decreed, our Allocations department will be handling your address change. Please verify these are the correct water right numbers for your properties and let us know.

If you have any further questions, please feel free to call our office any time during business hours.

Thank you,
