RE: Application for Permit No. 97-9859

Dear Applicant:

The legal notice previously published on October 16 and 23, 2024 contained an error in the place of use and must be republished.

A corrected legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE, PRIEST RIVER VERSION on 11/20/2024 and 11/27/2024. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Micki Bowman
Administrative Assistant

The legal notice previously published for this application erroneously named the place of use as T59N R04W S10 **SE**SW. The place of use listed in the application is T59N R04W S10 **SW**SW. The legal notice is being re-published with the correction, extending the comment and protest deadline.

The Department of Water Resources is seeking written comment and/or recommendations from your agency regarding the above referenced Water Right Permit application. You can find copies of the application at: <https://research.idwr.idaho.gov/apps/waterrights/wrajsearch/wradjsearch.aspx>

This office can publish notice of the application as soon as the initial review is completed; therefore, your prompt response to this request is appreciated. If your agency desires to formally protest the approval of the application, you may do so after the notice is published by filing a written protest along with a \$25.00 filing fee within 10 days after final publication. **The deadline for comments on the application is December 9, 2024.**

Please contact the Northern Region Office at (208) 762-2800 if you have any questions regarding the Permit application.
