RE: Water Right Change in Ownership No(s): 94-9046

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice) submitted January 31, 2024. However, because the quitclaim deed is not from the current water right holder on file, the Department will need a chain of title back to Aaron G & Theresa J Larson in order to process the Notice.

The Department will hold any action on your Notice pending receipt of the necessary documentation. If we do not receive the necessary documentation within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2813.

Sincerely,

Natalie Steading
