Genesee, ID 83832

To Whom It May Concern,

The Planning and Building Department has reviewed the request for a Segregation of Original Residence, in accordance with Sections 108.01.060(9) and 110.20.050 of Nez Perce County Land Development code. The request has been approved for the division of 2.51 +/- acres from tax parcel RP37N06W360600, as shown on a preliminary Record of Survey (ROS) by Rim Rock Consulting, Inc. As indicated on the preliminary ROS, the new parcel includes existing outbuildings and the existing septic with the original homesite. It shall be considered a legal nonconforming lot as defined by Nez Perce County Land Development Code.

This letter must be attached to and recorded with the deed for the newly created parcel so that verification of the legality of this land division is possible in the future.

Sincerely,

A handwritten signature in cursive script that reads "Alison Tompkins".

Re: Change in Ownership for Water Right No(s): 87-7154

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 762-2813.
