RE: Water Right Change in Ownership No(s): 94-4287

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). The Notice cannot be processed at this time because the form is not signed and dated, and an incorrect water right number is listed on the form (94-9287 instead of 94-4287).

Because the Department cannot process the Notice without the completed documents, we are returning the first page to be signed and dated and have the water right number corrected (please initial the correction). The Department will hold any action on your notice pending receipt of the completed Notice. If we do not receive the completed Notice within 30 days, we will return your paperwork and all attachments and your Notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,

Natalie Steading
