RE: Water Right Change in Ownership No(s): 95-4461

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice). However, the Department needs the original Notice form signed by the trustee before the Department can proceed with the change.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the original form. If we do not receive the form within 30 days we will return your Notice and all attachments and your Notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2813.

Sincerely,

Natalie Steading
