RE: Water Right Change in Ownership No(s): 95-10067

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that it could not be processed due to the water right needing to be split to remove the 6.8 acres owned by Robert Turnipseed. In order to proceed with the Notice, please remit the additional fee required for the split in the amount of \$75.

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice for 30 days pending receipt of the necessary additional fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

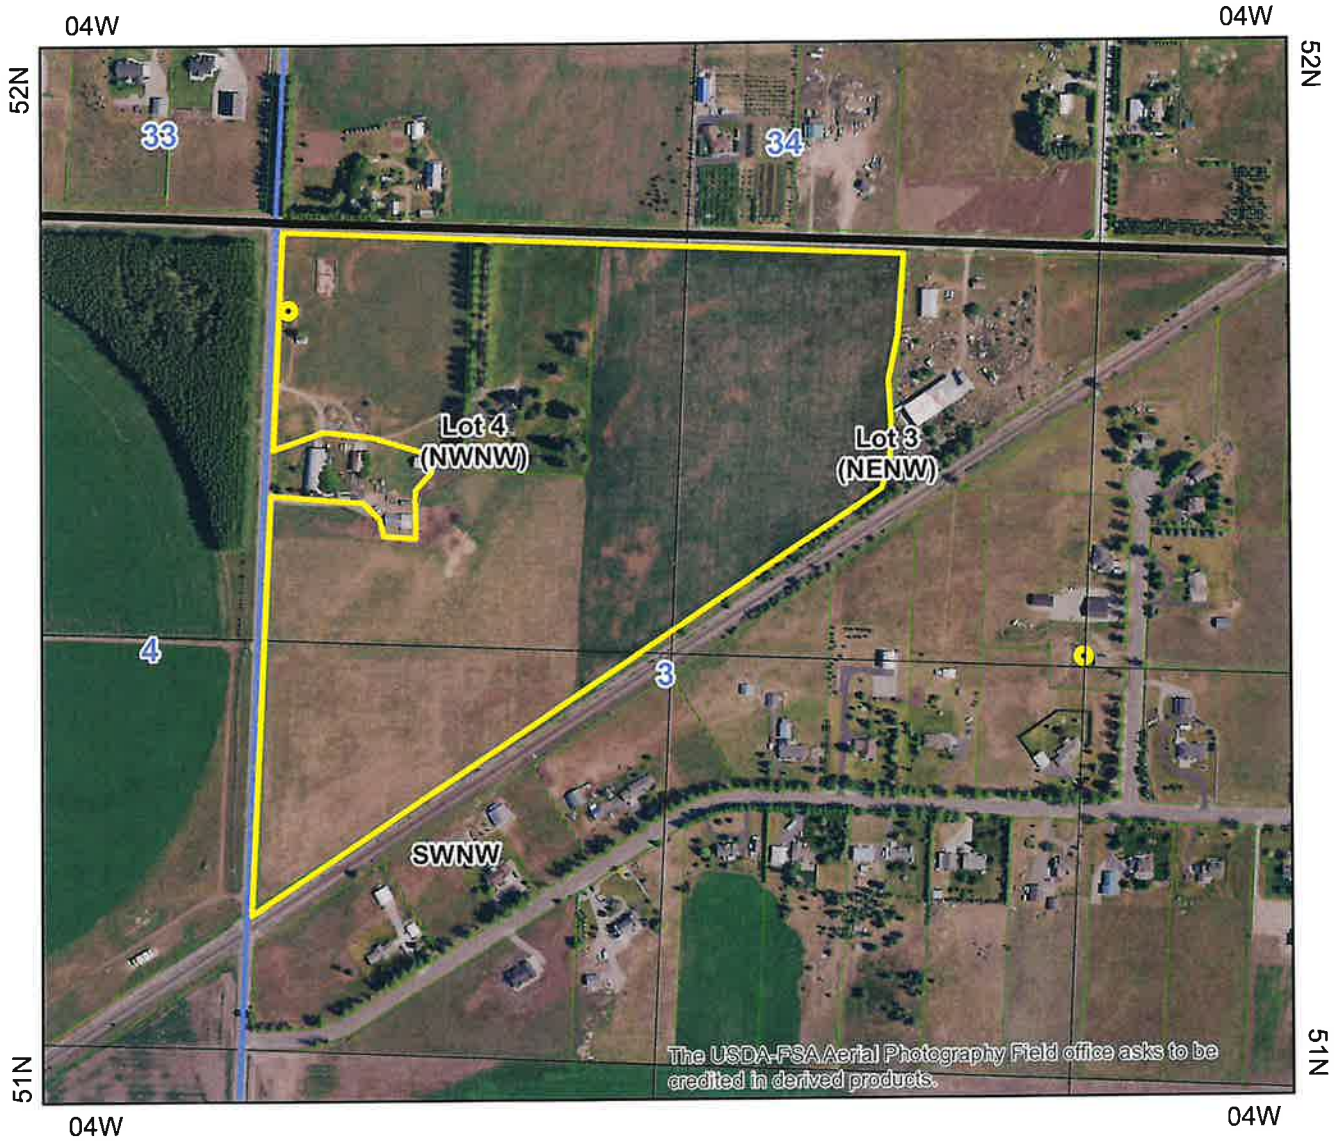

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,

Natalie Steading  
Tech Records Specialist 1
