RE: Water Right Change in Ownership No(s): 87-10823 & 87-10824

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

While the Notice came in with the Recommendation from the Department, the warranty deed was not supplied. Please submit a copy of the signed and notarized warranty deed from the property. Please note that because the date of acquisition listed on the Notice predates the partial decree issued by the court, the Department will need the deed(s) connecting you to the Niehenke Family LLC.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days of the days of this letter, we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 762-2800.

Sincerely,

Natalie Steading
